About Junior Achievement

Junior Achievement (JA) is an international nonprofit organization dedicated to educating and inspiring young people about business and economics. The JA experience helps young people learn financial literacy, entrepreneurship, and workforce-readiness skills so they can achieve their highest potential and future success as citizens in the global community.

Central Illinois drives success for Junior Achievement

Your sponsorship and support of JA programs and events have made Junior Achievement of Central Illinois the fourth-fastest-growing JA in America.

Junior Achievement's classroom growth is up 254% since 2004. We now serve about 13,000 students in over 550 classrooms across 60 schools in 7 central Illinois counties. McLean County alone has grown from 4 classrooms to over 200!

Tomorrow's business leaders need you in the driver's seat today. Help put our students on the road to success.

Your involvement in the McLean County Go-Kart Grand Prix allows JA to continue to grow and offer this free curriculum to schools throughout our community.

Sponsorship Levels:

\$50 Spirit Driver Sponsorship:

- ▲ Can't make the race? Be there in spirit! Submit a message to the JA office and we'll read it to the masses.
